

Standup Meeting - Mar 22, 2022

Standup Leader: Adam

Participants: Paul, Abdul, Samuel

Minutes by: Gaya

The leader should be responsible for keeping the meeting on track. Unrelated topics should be noted elsewhere for discussion at a later time.

What has been achieved since the last meeting?

1. Not much from last meeting
2. Last evening retro what went well - 21/march
3. Active records info
4. Come through path of least resistance

What will be completed before the next meeting?

1. Two user stories for MVP
2. Possible active record connection
3. Request/Response cycle for MVP
4. Take a look into shared snippets
5. Sam to finish setting up project structure

What obstacles are being faced to complete the deliverables?

1. Time consumption of active record research
